MOTION TO EXTEND TIME TO FILE

AmSan, LLC, by its attorneys, moves the Board to extend to and including July 29, 2007, the time for it to respond to the notice of opposition. In support of this motion, Applicant states that the parties have reached a tentative settlement of the matter, they will require some time to prepare a written agreement, and Opposer's attorney has consented to an extension of thirty (30) days on the response dates for matters currently pending.

Applicant also notes that Opposer's discovery requests, which would have been due on June 26, were to also be extended by two weeks in the prior order. Thus, the new dates the parties seek are:

Applicant's response to notice of opposition, July 29

Applicant's response to Opposer's pending discovery requests, August 9

If the settlement is not timely completed, it is likely that the parties would request the discovery cutoff be extended, but such relief is not necessary at present.

WHEREFORE, Applicant respectfully requests that the times for it to respond to the pending matters be extended by thirty days as noted above.
